SUMMARY

German-speaking Full Stack Developer seeking for an opportunity to leverage my skills in a dynamic and growth-oriented environment. A fast learner with a curious mindset, I am eager to contribute to a dynamic team and make an impact.

SKILLS

Javascript, HTML5, CSS, Tailwind CSS, React.js, Next.js, Redux/Zustand, Node.js, Python, Django, RESTful API, PostgreSQL/MongoDB, Git, CMS Integration, Responsive Web Design, UX Design

EXPERIENCE

Front-End Developer | KomuniKON

2023- Present

- Developed a web application using Next.js, tailored to translate sentences into icons, aiding communication in scenarios with language barriers.
- Successfully integrating APIs to ensure real-time translation accuracy, enhancing the app's functionality and user experience.
- Effectively collaborating within a diverse, global team, demonstrating strong skills in remote teamwork and cross-cultural.

PROJECTS

- Focused on creating dynamic, user-friendly portfolio websites with intuitive CMS capabilities, enhancing client interaction and content manageability.
(Developed using Next.js | Tailwind CSS | sanity.io)
[Link to project \(1\)](#) / [Link to project\(2\)](#)
- Developed Minimal Weather App, showcasing proficiency in API integration for real-time weather updates in a minimalistic interface.
(Developed using Next.js | Shadcn | Weather API)
[Link to project](#)
- Developed a holistic full-stack web app, addressing limited dog groomer booking systems. Enabled finding barbers, booking appointments, and user accounts.
(Developed using React.js | Chakra UI | Django | PostgreSQL)
[Link to project](#)

OTHER EXPERIENCES

Physical Therapist | Various locations

2016- Present

- Empowering my role as Co-Lead at a Sport Performance Centre, I leverage my adept teamwork, communication, and problem-solving skills, driving impactful conceptual restructuring initiatives.
